

FISCAL NOTE

HB 884 - SB 1059

February 19, 2007

SUMMARY OF BILL: Limits the prohibition against knowingly advertising or marketing a residence as having more bedrooms than allowed by the subsurface sewage disposal system to only newly constructed residences. Current law applies the prohibition to all residences.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues – Not Significant
Decrease State Expenditures – Not Significant

Assumptions:

- Activities prohibited by current law will no longer be prohibited under the provisions of this bill resulting in fewer violations.
- Any decrease in state revenues as a result of no longer collecting civil penalties for certain violations will be not significant.
- Any decrease in state expenditures as a result of no longer investigating certain complaints will be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
